## Privacy Policy

GSL Technology, Incorporated ("us", "we", or "our") operates <https://gsltechnology.com/> (the "Site"). This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site.

We use your Personal Information only for providing and improving the Site. By using the Site, you agree to the collection and use of information in accordance with this policy.

### Information Collection And Use

While using our Site, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name ("Personal Information").

### Log Data

Like many site operators, we collect information that your browser sends whenever you visit our Site ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

In addition, we may use third party services such as Google Analytics that collect, monitor and analyze this information.

### Communications

We may use your Personal Information to contact you with newsletters, marketing or promotional materials. Your Personal Information will never be sold to third party organizations.

### Cookies

Cookies are files with a small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

### Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

### Changes To This Privacy Policy

This Privacy Policy is effective as of 12/24/2020 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website.

### Contact Us

If you have any questions about this Privacy Policy, please contact us at [customerservice@gsltechnology.com](mailto:customerservice@gsltechnology.com).

## Terms and Conditions and Refund Policy:

Suppressors sold to an individual are eligible for a **FULL REFUND** if requested in writing to [customerservice@gsstechnology.com](mailto:customerservice@gsstechnology.com) within 30 days of order, or prior to form 3 - whichever comes first.

Once the form 3 to the dealer is complete, customers are eligible for a **80% refund** of purchase price if **returned to GSL in new, unfired condition**. Return shipping costs to be paid for by the customer.

Once a suppressor has been sent to a Class 3 dealer, and fired, no returns are authorized unless a manufacturer defect is found. In the case of a defect, GSL offers a Lifetime Warranty against manufacturing defects in workmanship - regardless of the owner or form 3/4/5 status of the suppressor.

For RMAs: email [customerservice@gsstechnology.com](mailto:customerservice@gsstechnology.com) for the RMA process to have your suppressor repaired and returned to you. GSL will pay for the return shipping back to the customer or dealer after the repair is complete.

## SHIPPING POLICY

GSL Technology is legally required to form 3 and transfer a suppressor to an SOT and FFL holding dealer. Suppressors do NOT ship to individual customer's homes. Shipping for suppressors is completed with UPS, while accessory only orders ship with USPS flat rate. If you do not have an SOT dealer you prefer, we can locate one for you, contact us at [customerservice@gsstechnology.com](mailto:customerservice@gsstechnology.com)
